Subject: Door Panel Protection

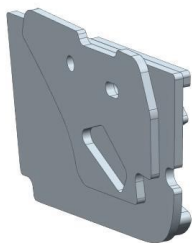

Date: 02.03.2018

## /Door panel protection

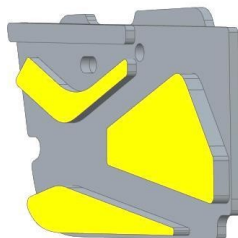

Dear customers

We have added a door panel as a security element at the driver's door in 2018 CUPRA TCR cars

- Compulsory in WTCR (Tech. Passport) and Optional in the TCR (V.O.)
- Available in the spare parts catalogue with the reference: 5F6867129
- To install, simply remove the yellow protection of the adhesive and fix it to the front door panel trim
